

Programa **mentores** para **migrantes**

Mentoring Programme for Migrants

Brussels, 7th December 2017

Ulysses deriding Polyphemus - Homer's Odyssey
1829, Joseph Mallord William Turner

Main Goal

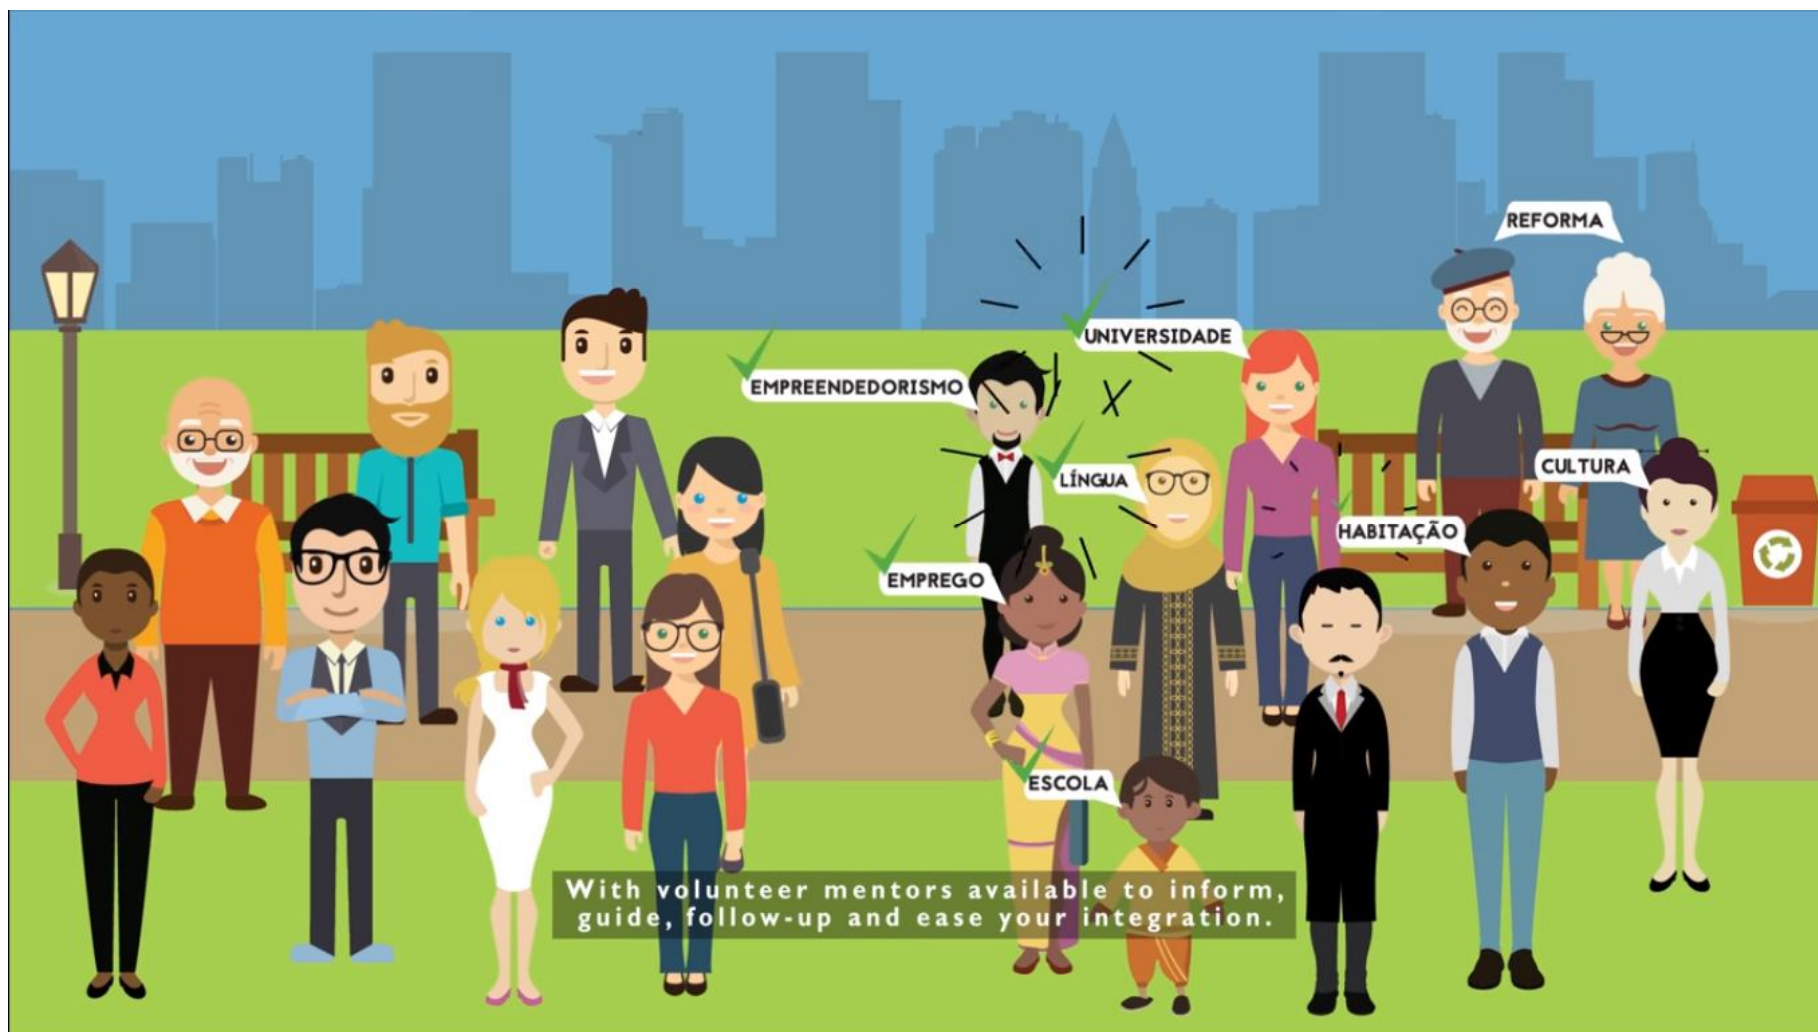

To promote the **integration of migrants** in the portuguese society, assuming the importance of the **involvement of all**, both migrants and welcoming society, as an example of **interculturality**, civic participation to built a more cohesive society where everyone has a place.

Specific goals

- :: Provide another instrument [an innovative measure] to promote the **integration of migrants** in Portugal.
- :: Remove barriers to integration and promote **equality of opportunity**.
- :: Remove preconceptions and **create meeting points** for newcomers and natives.
- :: Help the volunteers achieve **a better understanding of the world** and other groups of people.
- :: Promote **voluntary work** and **corporate social responsibility**.
