Instituto de las
MUJERES

Strategic Plan for effective equality between women and men 2022-2025

Main lines of intervention:

1. Good Governance
2. Economy for life and the fair distribution of wealth, against the feminisation of poverty and precariousness
3. Lives free of violence against women
4. A country with effective rights for all women

Instituto de las
MUJERES

Strategic Plan for effective equality between women and men 2022-2025

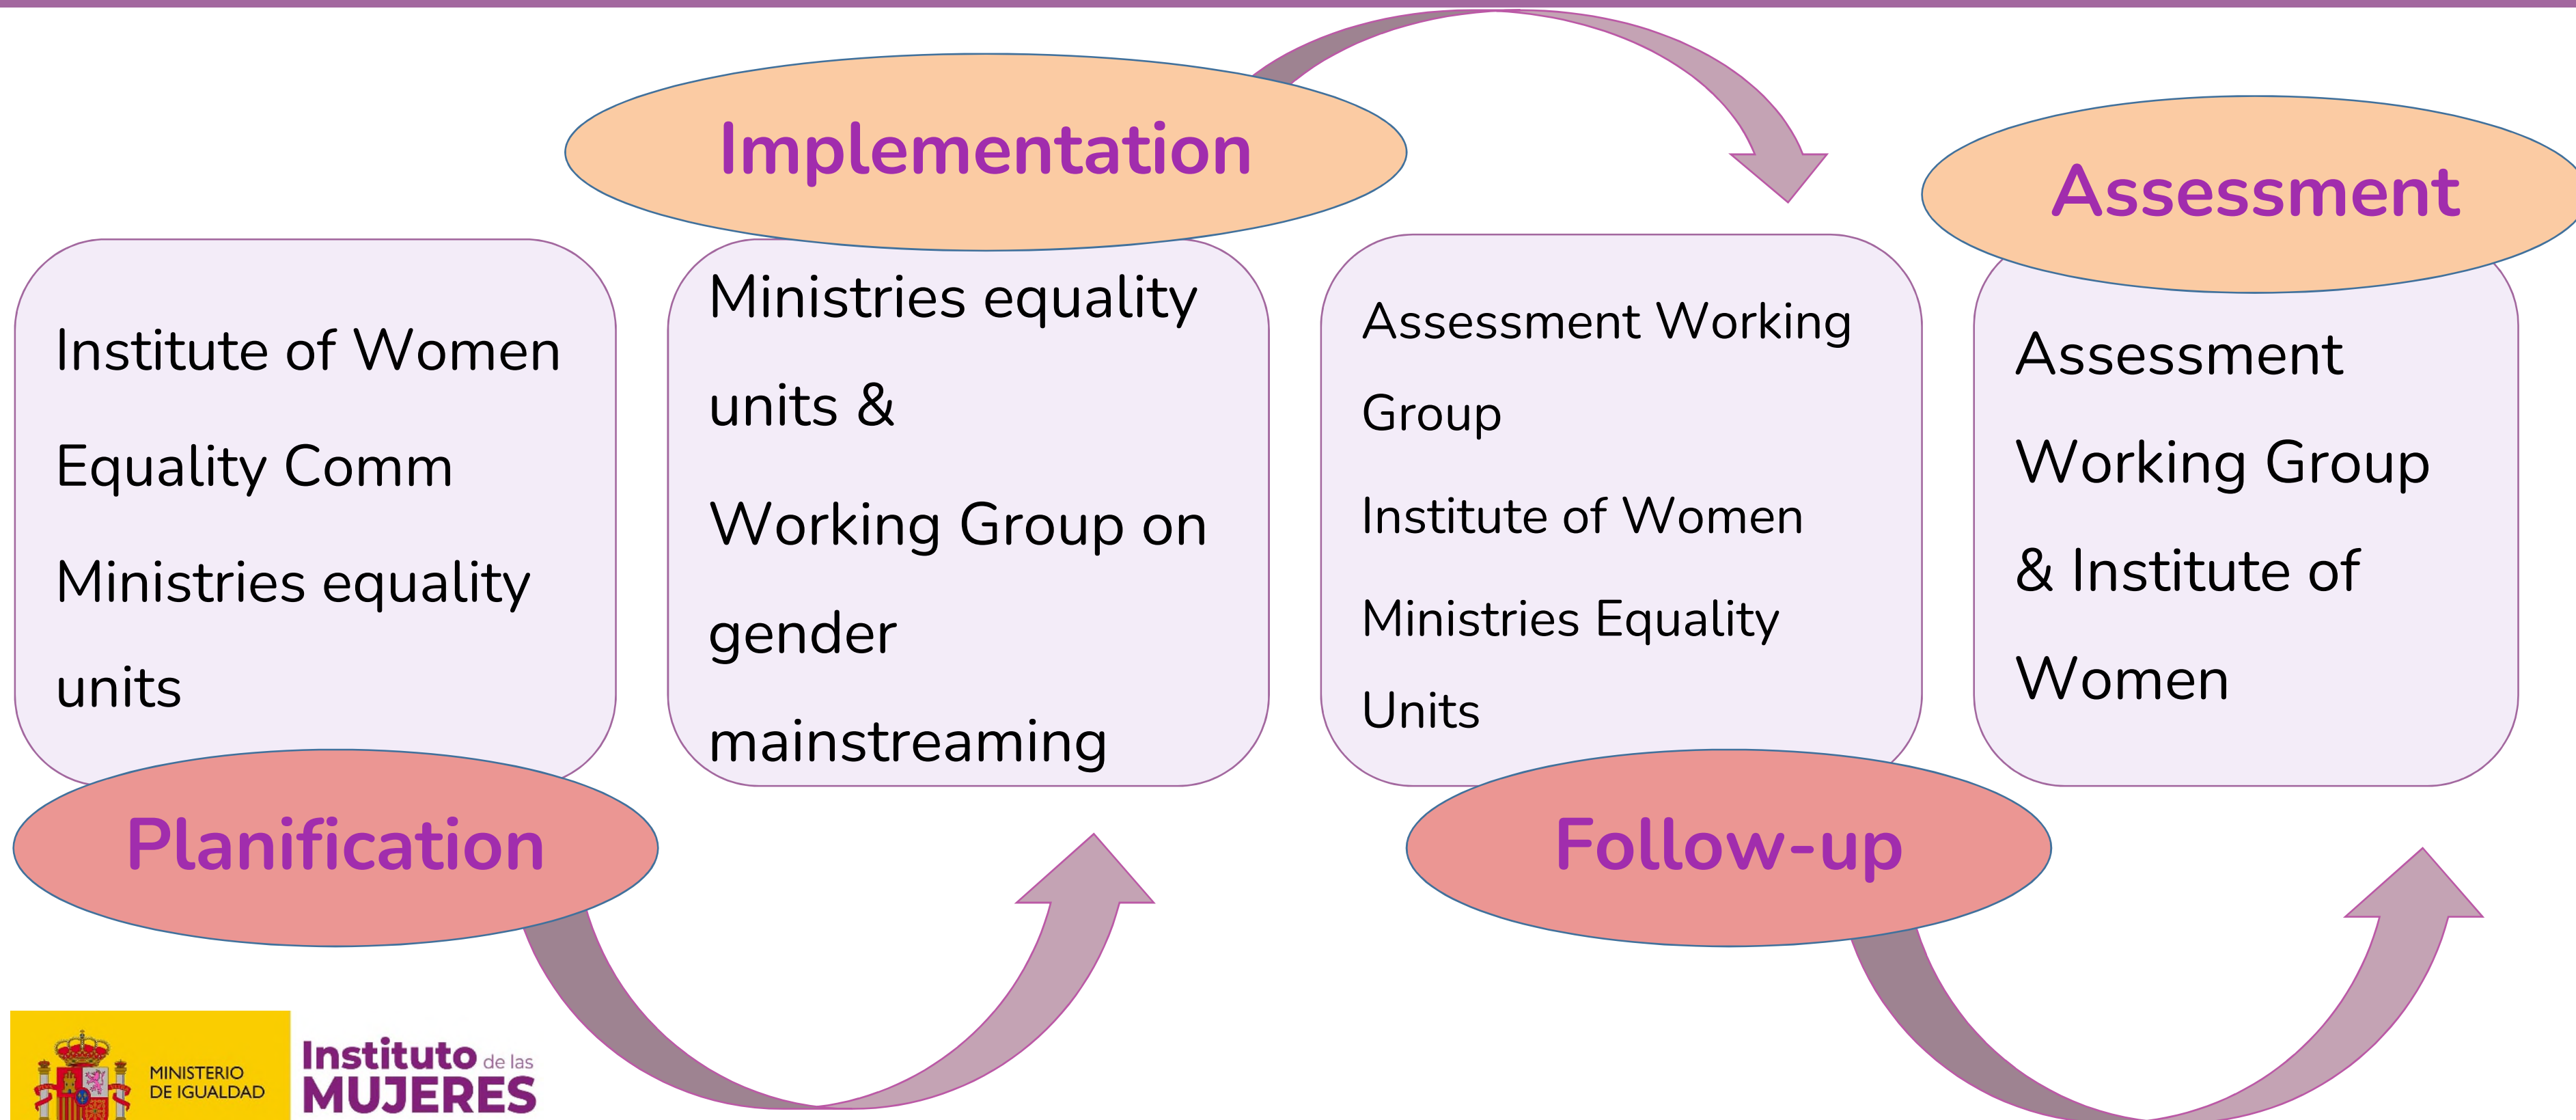

Main principles:

- Sustainability of life, universality and singularity
- Gender and intersectional approach
- Strategic planning and complementarity with other plans
- Participation and advocacy
- Transparency and accountability
- Sustainability of equality policies
