

Communication traineeship

September 2023 – February 2024

Equinet, the European Network of Equality Bodies, brings together specialized Equality Bodies from European countries set up to promote equality and combat discrimination on the grounds covered by the EU Equal Treatment legislation (gender, racial or ethnic origin, religion or belief, disability, age or sexual orientation) and beyond.

The Equinet Secretariat is opening a 6-month-long **traineeship position for the period** September 2023 to February 2024, in order to assist the team of 9 staff members. The trainee will in particular assist the Communication and Membership team in carrying out activities and tasks related to the delivery of the activities planned in 2023/4.

This is a **fulltime (38 hours/week) paid traineeship** to be performed remotely and at the **Equinet Secretariat, located in Brussels, Belgium**. The traineeship fits into the framework of a Convention d'Immersion Professionnelle under Belgian law with a monthly compensation of EUR 1,200 and includes the reimbursement of commuting costs (if working at the office) along with EUR 8 face-value meal vouchers (one per day worked, only valid in Belgium), 13 days of holiday and paid sick leave.

This legal scheme helps **recent graduates** in getting a first professional experience in a field related to the main focus of their studies. The **traineeship is expected to start as in a hybrid manner**, with 2 days a week in the office in Brussels at a minimum. The internship will only start once the authorization has been received from Brussels professional education authorities (Bruxelles Formation). This process can take up to 10 working days following submission of the request.

The Equinet Secretariat is an equal opportunities employer and is committed to equal opportunities for all irrespective of gender, sexual orientation, religion or belief, race or ethnicity, age or disability. With a view to contributing to full equality in practice and compensating for disadvantages, it applies positive action measures. Taking into account the Equinet Secretariat team composition and

previous traineeships, in case of equally qualified and suitable candidates, it will choose the person with a minority ethnic background and/or a disability unless there are other factors that should tilt the balance in favour of the other candidate(s). Therefore, **we warmly encourage and invite persons with a minority ethnic background and/or a disability to apply to this position.**
